INDIANA • MICHIGAN • OHIO • ONTARIO

Dear New Family RV Association Member:

Congratulations and thank you for becoming a member of Family RV Association, formally FMCA, your RVing Family, and welcome to the Great Lakes Area.

Currently, Family RV Association membership is divided into ten (10) areas and comprised of approximately 400 chapters. Within our Great Lakes Area, we currently have 16 chapters. Every chapter was formed by members just like you. Chapters are unique because of member interests, location, or size. Each chapter usually offers their membership various rallies during their “camping season” which could be as early as April and as late as November.

During the chapter rally, there will be different activities planned, great food, socializing and sharing of knowledge concerning our RVs, camping and traveling lifestyle. Plus, many great friendships are made at chapter levels. Luckily, the Great Lakes Area offers so many things to see and do that the options are endless. With the chapters’ guidance, you will enjoy places and festivals you may have missed on your own. I know my wife and I have learned more about the great treasures that Indiana has since joining Hoosier Cruisers in 2021.

A list of our Great Lakes Area (GLAMA) chapters is available online at [greatlakesarea.com](http://greatlakesarea.com). A chapter’s representative may contact you to join their chapter because your name has been noted as a new member of Family RV Association. Membership in a chapter is a way to enhance your RVing experience, share RVing ideas and to socialize. If you have any concerns or questions, this representative will gladly help you.

Along with a list of international conventions and area rallies, every edition of the *Family RVing* magazine contains dates, locations, and contact information of upcoming chapter rallies. Another great source is [FMCA.com](http://FMCA.com) as that website is continually updated. Check your travel plans and visit a chapter rally when possible. There is a chapter waiting for you. Remember, we are family and have the same desire to see this wonderful country while enjoying our own home on wheels.

Please feel free to contact me at 260-750-2822 or e-mail me at [kwatters@fmca.com](mailto:kwatters@fmca.com).

Safe traveling; have fun and looking forward to seeing you down the road.

Sincerely,

A handwritten signature in cursive script that reads "Kevin Watters".
