

Traditionally National Officers of Family RV Association have been recruited from within Chapters, Board members or existing officers moving from one office to another. I would like to invite every member of Family RV Association to consider this opportunity, and not assume you must move up from an existing officer position. Family RV Association officers own several different types of RVs, and we are overcoming the myth that finances are a requirement to be a national officer. Again, I invite every Family RV Association member to consider running for a national officer position, whether you belong to a chapter or not. We have well-qualified individuals who just haven't been asked.

Any current member of Family RV Association is eligible to run for a National Officer position. I encourage you to explore becoming an officer. Having served in numerous offices over my years as a member of Family RV Association, I can say serving the membership offers many exciting experiences and rewards. The work can be hard and frustrating at times. But you meet many interesting people, go to many places you may never think of going, and receive a feeling of satisfaction that you are making a difference.

If you have questions, please contact the Chapter Services team via email at chapters@fmca.com or by phone at 800-543-3622.

Remember Family RV Association's future depends on continued strong leadership.

Bill Mallory

Chair of the 2023/2025 Nominating Committee
